Railroad Is Blamed For Grade Fatality

SOUTH SAN FRANCISCO, Dec. 14—Blame was placed upon the railroad company for the train-auto accident which cost the life of Walter Gallo, 28, Millbrae, Friday, and Coroner William F. Crosby's coroner's jury in South San Francisco recommended today "that crossing men be placed in uniform and also that sufficient pressure be maintained at all times to lower gates regardless of climatic conditions."

Gallo was killed when the automobile he was driving was struck by a Southern Pacific train at the Grand avenue crossing, South San Francisco, Friday morning. Because of the storms, the crossing gates were not in operation.

The jurors also recommended that Dist. Atty. Matthew Brady's office in San Francisco further investigate the fatal crash which cost the life of Edward J. Farrell.

IN PERFECT HARMONY

Jeanette MacDonald and Alan Jones, two singers of opera and screen, who will delight Fox Sequoia Theater-goers in their pre-Christmas presentation of "Firefly" this Sunday, Monday and Tuesday. Popeye will appear in "Popeye Meets Ali Baba and the Forty Thieves."

Legion Leader To Give Award At Dinner Here

State Department Commander Joseph S. Long today accepted invitation of Redwood City Post 105, American Legion, to be present at the Community Dinner to be held at Sequoia high school January 12.

Long, former mayor of Riverside and now vice president of the Metropolitan Trust Company of California, will make the presentation of the Community Service Award, offered each year by the American Legion in conjunction with The Tribune.

Tickets for the dinner, at $1 each, have already gone on sale. Nominations for the service award will be opened December 29 with publication of a nomination blank in The Tribune.

$3000 Damage Done County's Road System

State Routes Blocked Also as Sunshine Replaces Rain

San Mateo county basked in the warmth of a bright sun Monday, following one of the worst storms in history.

Despite high winds and heavy rainfall, the county escaped serious damage. The road system is clear, according to County Engineer U. S. Marshall, although removal of small slides and trees will cost the road department about $3000.

Marshall, who inspected the road system Sunday, said that early drainage work and the fact that the heavy rains were intermittent saved the county from heavier loss. Storms last February cost the county nearly 10 times as much in damage to roads alone, he recalled.

COAST ROAD BLOCKED

Not so fortunate was the state highway division. New slides blocked the Pedro Point sector of the Ocean Shore boulevard yesterday, and hundreds of cars were turned back on the coast road. Dozens were mired in the soft shoulders of the highway. State crews hope to clear the highway within a week.

Max J. Leonard, agricultural commissioner, said the rain was a blessing to crops. Only damage was to the last of the outdoor chrysanthemums and to the cloth houses used to protect them. No other crop damage was reported.

The storm brought a record rainfall of eight inches to Memorial Park.

Redwood City's total for the storm was 3.95 inches, making the total to date 7:75 inches, most on record here for this time of year.

2500 Attend Party At Menlo Park Tree

MENLO PARK, Dec. 16—A crowd estimated at 2500 attended Menlo Park's Christmas party for children at the town's community tree on Santa Cruz avenue at El Camino Real last night.

Fire Chief Thomas Cuff acted as master of ceremonies and following the official lighting of the tree by Mayor J. E. Cooper, a program of carols and music by the Sequoia high school band and chorus was heard.

Illness Forces Judge to Delay Selecting Jury

From his hospital bed in San Mateo, Superior Judge A. R. Cotton Wednseday issued an order postponing his call to 30 San Mateo county citizens for 1938 grand jury duty until January 5.

Despite assurances to the contrary, it was learned that Judge Cotton's illness is more serious than hospital reports indicate. The "severe cold" which is supposed to have confined the superior court judge to Mills Memorial Hospital yesterday was accompanied by a heart attack, it was learned.

Physicians have ordered a complete rest for Judge Cotton, and may keep him in the hospital for two or three weeks.

Hospital authorities said this morning that the judge had spent a good night and was resting well today. They characterized his hospitalization as a "precautionary measure."

Judge Cotton has selected 30 of San Mateo county's most substantial citizens as potential 1938 grand jurors. They were originally summoned to appear in court at 9:30 a. m. Friday.

Bay Search Pushed For Missing Plane

Coast guardsmen pressed their search in San Francisco Bay near Oakland today for the army reserve plane missing since Sunday with Capt. Ira Galehouse and Lieut. William F. Stewart aboard.

As they did so, the mystery about another plane wreckage, found in the ocean 10 miles off the Golden Gate, was cleared up when the navy department said it was a plane lost Dec. 20, 1929, from the aircraft carrier Saratoga.

In making an emergency landing, the plane fell into the sea. Its crew, Lieutenant Thomas S. Combs and A. Gaehler, chief machinist's mate, was picked up by plane guards.

Postoffice to Be Open Saturday Afternoon

Postmaster R. E. O'Connell Jr. announced today that the local postoffice's parcel post and stamp windows would be open till 6 p.m. this Saturday for the convenience of people desiring to mail Christmas packages. Ordinarily the office closes at noon Saturdays.

SHELL CHRISTMAS SHOW COMING

Mystifying scientific experiments which may become commonplace in the "City of the Future" will be the features of the annual Shell Christmas Show coming here soon. Joey the clown, (shown above) surprised, views one of the experiments of science. This free show is traveling in a streamlined "tear drop" truck of future design (shown right) and will distribute the usual candy free to the youngsters.

In a fantastic truck, the Shell Christmas show will arrive here on Tuesday, December 21, on its annual tour.

Performances will be staged on the Central school grounds on Broadway at Middlefield road, beginning at 10 a.m. Candy will be given away and letters will be accepted for delivery to Santa Claus.

This announcement was made today by A. R. Boyer, local manager for the Shell coumpany.

"This year's show was designed to explore the mysteries of the scientific field in a way that children may look into the future and see what may happen 25 years from now," Boyer explained.

"Experiments are performed that may seem fantastic now but can be realized in the future. This scientific backround is interspersed with plenty of comedy which is furnished by Joey, the clown who proved to be such a hit with the youngsters last year. He will wear his familiar garb that every child will recognize. The theme for this year's show was furnished by our currentexpl oitationofthe current exploitation of the projected ideas of Norman Bel Geddes, famous forecaster of the future, with regards to building and highway design," Boyer concluded.

UNSEALED CARDS ARE SUBJECT TO THIRD CLASS MAILING RATE

Because "there appears to be some confusion on the part of the public with respect to the rate of postage on Christmas and other greeting cards sent under cover of unsealed envelopes," Postmaster R. E. O'Connell Jr. of the Redwood City office today explained rates applicable to that type of mail.

Postmaster O'Connell said:

Such greeting cards are chargeable with postage at the third-class rate of 1½ cents for each two ounces or fraction of two ounces. These cards may bear a simple written inscription not in the nature of personal correspondence, such as, "Sincerely yours," "Merry Christmas," "Happy New Year," "With Best Wishes," etc., together with the name and address of the sender and of the addressee, without subjecting them to more than the third-class rate.

Greeting cards, sealed or unsealed, bearing written messages other than the simple inscription above mentioned, as well as all cards sent in sealed envelopes are chargeable with the postage at the first-class rate of 3 cents an ounce or fraction of a ounce, except when the 2 cent local rate applies.

NO FORWARDING

Patrons should keep in mind that while printed cards bearing no unpermissable written additions are accepted at the third-class rate when enclosed in unsealed envelopes,it is much more desirable from the standpoint of both the sender and the addressee to have the cards sent in sealed envelopes at the first-class rate, especially those of an expensive kind, because of the better service accorded first-class matter, including free forwarding or return if undeliverable as addressed. Large numbers of Christmas cards, mailed unsealed at the third-class rate, are disposed of as waste each year when they are undeliverable as addressed due to the removal of the addressee or other cause. Such cards are not entitled to the free forwarding privilege and consequently the senders in some cases never know that the cards were not delivered. This would not occur if the cards were mailed sealed at the first-class rate.

PARCEL POST

During the holiday season numerous gifts will be sent through the mails and the use of the parcel post insurance service is strongly encouraged.

The fees for this service are:

Value not over $5	5c
Over $5 but not over $25	10c
Over $25 but not over $50	15c
Over $50 but not over $100	25c
Over $100 but not over $150	30c
Over $150 but not over $200	35c

These rates are in addition to the regular postage.

SPECIAL DELIVERY

While in recent years the delivery of ordinary mail on Christmas Day has been discontinued, in order to afford the regular mail carriers an opportunity to spend the holiday with their families, special delivery service is in effect on that day.

Persons who may desire to have their greetings or parcels delivered on Christmas Day may avail themselves of this facility on payment of the fee therefor. Such matter may bear the request of the sender that the same be not delivered until Christmas Day.

The special delivery fees are:

Parcels up to 2 pounds	15c
Over 2, not over 10 pounds	25c
Over 10 pounds	25c
Letters and cards	10c

Tickets on Sale For Community's Annual Banquet

Tickets for the annual Redwood City Community Dinner, sponsored by the chamber of commerce to be held at Sequoia high school January 12, were placed on sale here by a committee headed by Kenneth W. Van Gundy.

The tickets are $1 each.

As many women as men are expected at the dinner this year because of the fact members of participating organizations are being urged to bring their wives or husbands, as the case may be. For this very reason, Van Gundy pointed out, tickets should be secured at once, as capacity of the Sequoia cafeteria is limited. Early purchase will also aid the committee in determining number to expect at the dinner.

Besides a program, talk, and election of chamber of commerce directors, presentation of the community service award for 1937 will be made at the dinner.

Van Gundy's committee on the sale of tickets includes James P. Hagan, Thomas Tuite, Duncan Reynard, Albert Robertson, Kenneth L. Bowen, J. A. Buhler, Victor Gile, Wilbur H. Doxsee, T. N. Thompson, Mrs. Nelle Miramontes, Mary Rolla and K. B. Towne.

Tickets are being sold in the various participating clubs, including the Redwood City Woman's Club, the Business and Professional Women's Clubs, the Kiwanis, Exchange and Lions clubs, and the United Veterans Council.

Tickets also are on public sale at the Musso, Sequoia, Lock and Ryan drug stores, the Pacific Gas and Electric Company office, The Tribune, the First National Bank, American Trust Company, Bank of America and Chamber of Commerce office.

R. C. Man Indicted On Narcotic Charge

The federal grand jury in San Francisco returned seven indictments Tuesday involving narcotic violations.

Frank C. Miller was accused of forging a doctor's prescription in Redwood City. Miller said physicians were shrinking his leg preliminary to applying an artificial limb and that he was in great pain. He is accused of forging a prescription under the name of Dr. H. C. Pedersen.

Others indicted on charges of sale or possession of narcotics are Leroy Logan, John C. Bond, Earl Newton, Wade Smith, Tong Lee and Melvine J. Nordine.

Still Coughing?

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

SANTA CLAUS LEADS CRUSADE FOR SAFE HOLIDAY DRIVING

Knowing that thousands of people will be traveling the highways over the holidays, Santa Claus has started a crusade for safe driving. Because Pacific Greyhound Lines this year won the National Safety Council's highest bus safety award, the first person Santa Claus chose to sign up was Bill Boyd, Greyhound driver. Statistics show that Greyhound travel is 14 times as safe as the average private automobile.

Husband, Wife Both In Jail on Charges

On the second floor, front, in Sheriff James J. McGrath's county "hotel" is Mrs. Margaret Moyles, former North Fair Oaks resident. Joe Moyles, her husband, occupies a room on the same floor, in the rear. Both await disposition of the bad check charges against them.

Mrs. Moyles was arraigned yesterday before Judge Edward I. McAuliffe, who set bail at $1000 cash or $2000 bond and set December 23 as the date for preliminary hearing.

Joe Moyles has pleaded guilty and awaits sentence.

According to Atty. Edward J. Ryan, Mrs. Moyles assertedly cashed checks written by her husband without knowing they were fictitious. Moyles is a war veteran who was at one time a patient at the Veterans' Administration Facility, North Palo Alto, Ryan revealed.

Enticing Program Planned by Club

BURLINGAME, Dec. 16— Roast chicken, mushrooms—

Violins, pianos and vocal numbers—

A speech by Senator Harry Parkman of San Mateo—

These will be the "order du jour" on the program of the Lafayette Club's eighth anniversary banquet and ball that will be held next Saturday evening at 7:30 o'clock at the Burlingame Masonic Hall, 145 Park road.

The chicken and mushrooms will be highlights of a dinner prepared by Grace and Pierre Cotillon. The music, dance and vocal numbers will be offered by pupils of the Pilati Music Studio and Lucille J. Byrne of the Byrne Studio of Dancing.

Pres. Jean Dentraygues of the county Lafayette club will introduce a host of visitors that will include most of the high county and civic officials of the peninsula.

Friendly Acres School Location To Be Purchased

A plan for eventual purchase of a new school site in Friendly Acres by the Redwood City Elementary School Board of Trustees was announced Tuesday.

Andrew Spinas, school superintendent, revealed that negotiations under way several weeks had been completed whereby a six-acre site on Bay road between Eighth and Tenth avenues would be leased for a year at $350 with an option being given to buy the property for $3150 more—a total price of $3500—at the end of that time.

The board plans to build two new schools when, and if, it is able to sell the Central school on Broadway. Bids for the Central school have been sought, and were to have been received by the time of the board's regular meeting Thursday night, but so far none has been received.

Consequently, although it is not expected that a school building will be built immediately on the Friendly Acres site, the board deemed the purchase a wise one at this time because of the price—considerably lower than smaller parcels now are selling for there—and because of the rapid growth in population in the area south of Redwood City. Pupils in this south-end area now attend Garfield school on Middlefield road, a mile distant from the new site.

$25,000 Demanded From Creamery Firm

Yoshiko Yamauchi, 41, San Mateo, has filed suit for $25,000 damages from the Broadway Creameries, Ltd., and William McNally, truck driver.

She claims that on December 24, 1936, McNally, driving a Broadway Creamery truck, backed into her while she was walking in an alley back of a San Mateo store. The truck crushed her feet, knocked her against a wall and caused concussion of the brain, her complaint states. Her attorney is J. E. McCurdy.

It is expected that an International Peace Congress will be held at San Francisco in connection with its 1939 World's Fair.

Mendoza Freed After 30 Days

Although sentenced a month ago to five months in the county jail at San Jose for gambling operations at the Clover Leaf Club on El Camino Real just south of Palo Alto, Frank ("Dingo") Mendoza was free today—paroled over the vigorous protest of District Attorney Fred L. Thomas of Santa Clara county.

Voting the parole were Sheriff George Lyle, who had allowed Mendoza to operate for so long that the state attorney general finally entered the county and raided the club, and Police Chief J. N. Black of San Jose.

Also paroled were Nick Goodman, S. C. Powell and Louis Strauss, arrested with Mendoza as game keepers, and Frank Vacarella, who had served 280 days of an 18-month sentence, imposed for a series of "error" beatings last March.

To obtain his freedom, Mendoza paid $1200 in fines, $500 imposed on himself and $250 each for the game keepers, who had been ordered to jail for two months by Justice of the Peace E. E. Hardy of Palo Alto. He previously had refused to pay the fines, taking advantage of a ruling his term could not be lengthened if he declined to pay.

In opposing release of the gamblers, District Attorney Thomas declared that he believed "it is not in the province of the (parole) board to take action which amounts to setting aside the judgment of a court." He pointed out that Mendoza had not served even half his term.

Lyle and Black, on the other hand, in a joint statement, declared that "the 30 days which they have served is sufficient confinement under the circumstances."

Woodside Club Seeking Members

A campaign to increase membership and to continue its work in bringing improvements to roads in the district has been inaugurated by the Woodside Highlands Improvement Association, as result of its last regular meeting held Saturday under Pres. Edward H. Parker.

The association has worked to bring about numerous improvements in the area, including oiled roads, construction of 120 feet of culverts and widening of two roads.

Meetings are held the second Saturday of each month at 7:30 p.m. in the clubhouse. Officers include E. P. Schaefer, secretary and treasurer; Ann Leister, publicity chairman, and T. H. Augur, W. F. Bartsch, J. A. Horstman, W. Klahn, G. H. Longmuir and R. H. Willson, members of the executive committee.

The association hopes for representation from all of the 65 families residing in the highlands, Miss Leister declared.

Wood Offered To All Free!

Wood from 40 pine trees being felled to make way for street extensions in San Mateo will be offered free to anyone who cares to come and get it, H. L. Sanders, Redwood City contractor, announced Monday.

The trees are on a part of the old Payson property at Fourth avenue and El Camino Real. More than half of the trees have already been cut down, Sanders said. The property must be cleared within two weeks.

The trees are being felled by the contractor, but are not being further cut up.

The government is trying to determine whether "recaps" and similar employes of railway stations are subject to the railroad labor act.

SCHOLARSHIP CERTIFICATES WON BY 90 AT SEQUOIA HIGH

With the sophomore class heading the list, 90 Sequoia high school students have been awarded scholarship certificates for work accomplished during the year's first quarter. Juniors placed the second largest number on the roll of certificate winners, while seniors and graduates followed in that order, according to Miss Mary Cowden, scholarship society adviser.

Receiving certificates were:

Sophomores: Alberta Arends, Barbara Boles, Geraldine Campbell, Wheeler Childs, Lucille Farrell, Morris Gutterman, Bud Hefner, Ben Iijima, Lydia Killpack, Helen Lum, Ann Manley, Nancy Marlow, Carmon Mills, Walter Moore, James O'Loughlin, Yuriko Oshima, Jean Purrington, Jacqueline Saboff, Delores Silva, Edith Slade, Helen Steele, Dolly Rice, Marjorie Trevillyan, Charles Ward, Rosemary Withgitt, and Ward Walkup.

Juniors: James Boen, Tom Canning, Esther Colton, John Cook, Ted Fischer, Isabel Garcia, Mary Lou Hawkins, Eiko Honda, Patricia Jeffers, Nadine Johnson, Jean Kohlmoos, Thelma Morton, Ruth Meyers, Barney Olson, Frank Pisani, Pierino Robbiano, Peggy Seufert, Betty Stowe, Ernest Thorson, Claire Varga and Edna White.

Seniors: Vincent Cleveland, Jim Canning, John Dusel, Jack Duttweiler, James Fairley, Lucille Hawkins, Joe Gomes, Osamu Honda, Kazuo Kariya, Gladys Liddicoat, Virginia Manning, Martha Mensoian, Yvonne Mirande, Betty Moll, Wilma Pfaflin, Miriam Philbrick, Dorothy Riegelhuth, Margaret Steele, Ernest Stelter, Donald Ward, Carolyn White, Joe Yonemura, and Francis Nash.

Graduates: May Bean, Jeanne Fahey, Howard Fitzpatrick, Herbert Frahm, Alene Jeffers, Joe Lancaster, Kenneth Moulton, Dick Muchmore, Mary Meyers, Dorothy Nelson, Barbara Newman, Marian Newman, Mary Olsen, Sybil Oudin, Genevieve Peddicord, Eunice Philbrick, Marybeth Pike, Edgarda Scilini, Mary Phyllis Seufert, Justin Vanderlan, and Anna Zaepffel.

Thirteen countries are represented in the collection of tuberculosis and other charity seals of nations of the world being exhibited this week in the second floor show case at Sequoia high school by the Sequoia Stamp Club.

Stamps and posters are shown from the Union of South Africa, Korea, Finland, New Zealand, Ethiopia, Belgium, Argentina, Brazil, the Netherlands, Germany, Italy, Portugal and Lichtenstein.

The bell scrap book, a collection depicting famous bells, in connection with the theme of the American tuberculosis seal this year, is also on display, having been contributed by Mrs. Ruth Close, executive secretary of the San Mateo County Tuberculosis and Health Association.

Also included in the exhibit is the story of the Christmas seal, its beginning and development.

The Sequoia high school home arts class taught by Lawrence Hatch is beginning the construction of small model homes, using such materials as masonite, three-ply, non-glue, cardboard, rubber, sponge, oil paints and shingles and nails. Seven foremen have been named to direct the work of the groups into which the class has been divided—Dewey Hall, head foreman; Dan Drew, Robert Lawrence, George Bidwell, Ken Gray, Al Trujillo and James Hammer.

To give a more vivid picture of the Jeffersonian and Jacksonian democracies, two motion pictures were displayed this week to the United States history classes taught by Fred Blase, Fred Gatchel and Donald Cherry at Sequoia high school. One of the pictures concerned Alexander Hamilton and Daniel Webster and the other the constitutional convention. Blase and S. S. Mayo, high school counselor, secured the pictures through the University of California.

Donald Cherry, teacher of classes in social living at Sequoia high school, is the author of an article appearing currently in the "California Journal of Secondary Education." Discussing the radio bulletins which Cherry prepares each week at Sequoia for the other teachers, the article is entitled "The Air Is So Full of a Number of Things."

Johns-Manville Firm Votes Yule Bonus

Approximately a week's pay to each employe in the company's service longer than a year and approximately a half-week's pay to those in its service more than six months but less than a year will be paid before Christmas by Johns-Manville, it was announced here by E. S. Hurrell, manager of the local Johns-Manville factory here.

Notification was received by Hurrell today that the board of directors had voted this extra compensation. Approximately 40 employes of the plant will share in the bonus.

Unit Formed For No Profit

Purpose of The Community Chest of Redwood City, as set forth in the articles of incorporation the directors were authorized Monday to have recorded, are as follows:

1. "To promote co-operation among all agencies existing solely for charitable uses or for social welfare purposes, and to provide for the disposition of all property voluntarily paid to it, for the stimulation and maintenance of such agencies as become beneficiaries; provided, however, that pecuniary profit is not the object or purpose of this corporation and its business shall not be carried on for profit."

2. To acquire and hold property or money.

The corporation is established for 50 years.

$1 MEMBERSHIPS

All persons contributing $1 or more a year would become members of the chest, under terms of by-laws proposed.

The by-laws must be adopted by the directors of the chest. Other salient provisions:

Organizations eligible to apply for participation in the chest include those "organized agencies existing or that may be hereinafter created and whose field of work is in or near Redwood City, and whose purposes are charitable uses, or devoted to social welfare, also any organization raising funds for emergency needs in cases of casualty, famine or other great calamity elsewhere."

Organizations may be elected beneficiaries of the non-profit corporation "upon application favorably acted upon and approved by two-thirds vote of the board of directors."

11 ON DIRECTORATE

The board will consist of 11 members. The first six named shall serve for one year. The other five serve for two years. Their successors serve for two years, and are elected at annual meetings.

Vacancies on the board will be filled by the directors.

Following the annual meeting of the chest, the board of directors shall meet and elect from its membership a president, vice president, and secretary-treasurer, none of whom shall receive compensation.

The board will supervise expenditures and constitute the ruling body, working through committees, if desired, appointed by the president, subject to approval of the directorate.

MAY HIRE ASSISTANT

If the directors desire, they may employ an assistant "at such salary as they may deem proper." He "shall hold office during the pleasure of the board."

Annual meetings are set for the first Thursday of March, at 8 p.m. Electors will be selected by ballot, nominations having been made by a committee appointed by the board.

The by-laws may be changed by a two-thirds vote of the board of directors.

Four out of every five people in the world who purchase automobiles buy American-made cars.

MENLO PARK NEWS NOTES

Monday evening Past Presidents' Association No. 9, Native Daughters of the Golden West, with representatives from various parlors in San Mateo county attending, enjoyed a Christmas party at Sodini's Tavern on Middlefield road.

After the banquet, gifts were exchanged and carols sung, to the delight of the 20 members present. The association is the ninth in the state.

Grace Loverich of Menlo Park is president of the group this year.

The season for hunting ducks is rapidly coming to a close. All hunters report the poorest shooting in many years. Even private clubs in the rice fields in the northern part of the state report a scarcity of birds. Old sportsmen are unable to account for the shortage.

W. T. Casey, an expert hunter who has shot ducks on the local marshes for over 40 years, cannot account for the situation, but believes that maybe the weather has been too fine in the northern regions and that the long flights will take place later.

Mrs. William Flanders entertained at a tea Tuesday at her Menlo Park home, honoring Miss Fritzie Kolster of Palo Alto, who is to become the bride of Alan Michaels of Atherton the evening of December 20.

Miss Kolster and her future sister-in-law, Mrs. Henry Michaels of New York, shared honors at a luncheon given Wednesday in San Francisco by Miss Katherine Sullivan. Thursday Mrs. Michaels feted Miss Kolster at a cocktail party at the Bohemian Club in San Francisco.

Mrs. Michaels has already arrived from the East, while both her husband and the bride-elect's father, Dr. Frederick Kolster, are expected this week.

Sunday at Reno Miss Fanita Jacobsen, pretty daughter of Mr. and Mrs. Carl Jacobsen of Santa Cruz avenue, was married to Ray Stendell of San Francisco.

The bride is a graduate of Sequoia Union High School and also attended a business college in the city. The young couple will live in San Francisco.

A daughter was born to Mr. and Mrs. Frank Gainer last Tuesday at a Palo Alto hospital. The recent arrival will be a companion for her little sister.

Nathan Adler will speak this evening on "The Jew in Europe" at Temple Beth Jacob on Creek drive. All are invited to attend.

At a joint meeting of Menlo Park American Legion Post No. 443 and its auxiliary, held in Legion Hall Tuesday night, 800 boxes of candy were packed for the Christmas tree party given by the Menlo Park Merchants' Association Wednesday evening. After the candy was packed light refreshments were served.

The committee in charge of the card party given by Menlo Park American Legion post wishes to thank the public for splendid patronage given the event, which was a big financial success.

Werder Elected To Head Realtors

Ludwig E. Werder was elected president of the Redwood City District Real Estate Board at the annual election held Tuesday when the organization met in Central School. Werder succeeds Henry Witte.

Named vice president succeeding Werder was Harry Hoefler.

Succeeding Daniel R. Stafford, Teddy Lauman was elected secretary-treasurer.

Mayor Paul A. McCarthy addressed the realtors, discussing the advantages of owning property in cities as over possession of holdings outside incorporated districts.

The average rent in New York city is $34 per month. Manhattan shows the largest percentage of those paying both maximum and minimum rentals.

Two More Jailed For Cutting Greens

Fire Warden Bert Werder, maintaining a relentless campaign against illegal cutting of Christmas trees and greens in San Mateo county, sent two men to jail.

They were Paul Wildman, 28, Daly City gardener, and Farrell Frame, 35, Oakland laborer.

Deputy Warden Ernest Werder caught the two men in the act of cutting huckleberry greens at Grabtown in Purisima canyon yesterday. They had six bales, weighing nearly 600 pounds, when Werder apprehended them, he said.

Production of aircraft for civil use in the United States increased from 662 airplanes built in 1919 to 6,193 in 1929, the peak year. Last year's production was 3,010, the

COMMUNITY CHEST CREATED; FIRST 6 DIRECTORS ELECTED

Activities, Confined to Redwood City Area, Begin Soon; First Drive in Fall

Redwood City has a community chest.

Formed by unanimous vote of more than a score of members of city-wide committee who met Monday night in Central School, the chest will be incorporated at once with six directors. It will begin to function soon, although its first drive for funds will not be held until next fall.

The first directors, elected unanimously, are members of the investigating committee which brought back a report urging formation of the chest for Redwood City. They are J. E. Morrisn, Louis B. Dematteis, Mrs. A. S. Kallenborn, Duncan Reynard, Perry A. Bygdnes and Dr. W. B. Langston.

These six directors will serve until after the first annual meeting of the chest, at which five more directors will be elected. Thenceforth, directors will serve for two years, under suggested by-laws, five being elected one year, six the next.

By-laws as drawn up by Dematteis, deputy district attorney, were read to the group and met approval, but must be formally adopted by the directorate, which is expected to meet soon to elect from its number a president, vice president and secretary-treasurer, all non-salaried.

Membership in the chest will be purchased by contributions of $1 or more per calendar year.

Activities of the chest, it was decided, would be confined almost entirely to Redwood City at first, perhaps taking in the Emerald Lake and North Fair Oaks areas also.

In establishing a community chest, Redwood City becomes the second city in San Mateo county so to do. South San Francisco has had a successful chest for many years. Other nearby cities using a community chest include San Francisco, Santa Clara, San Jose and Watsonville.

Last night's meeting was called to order and presided over by J. A. Buhler, chairman of the committee appointed for the purpose by the Redwood City Exchange Club, which had sponsored the move in accord with an editorial suggestion of The Tribune.

In presenting the recommendation for a chest, Morrish explained that it was made unanimously "after many meetings had been held to discuss the proposal." The recommendation was adopted on motion of Andrew Spinas, second of Henry Witte.

Expected to conduct their drives through the chest are the Boy and Girl Scouts and the Young Men's Christian Association, now conducting separate finance campaigns, and perhaps other organizations. Mrs. Ruth Close, executive secretary of the San Mateo County Tuberculosis and Health Association, explained that her organization, which now raises funds through sale of Christmas Seals, could not participate except in plans to prevent duplication of service by the agencies involved, but offered every cooperation. J. Franklin Reid of the Boy Scouts, Rev. W. J. Owen and Cuthbert Currie, representing the Y.M.C.A., and all others present appeared heartily in favor of the chest. It is doubted if the Red Cross will participate. Whether the San Mateo Preventorium will come under the chest also is uncertain.

The finance department of the United States Army disburses all funds appropriated for national defense.

Valota Road Work Plans Are Approved

At a brief session of the city council before members went into conference to consider franchise taxes on public utilities in Redwood City, plans and specifications for work on Valota road were adopted Monday night, on recommendation of City Manager C. L. Dimmitt. Bids will be sought soon for the work, which, however, will not be done until spring it being impossible to rebuild the road during the wet winter season, according to the manager.

Dimmitt said the road would be kept in the best repair possible until it can be paved.

Stock Exchange Seen By Sequoia Class

Sequoia High School seniors enrolled in the economics class taught by Miss Maribel Shimmin made a trip to San Francisco last week to visit the stock exchange in line with their study of the functioning of stock exchanges.

Following the stop at the exchange, they enjoyed luncheon at Fisherman's Wharf and then visited the Coit Memorial Tower. They made the trip by school bus, being accompanied by Miss Shimmin and S. S. Mayo, night school principal and counselor.

Palo Alto Buys Hetchy Water

While San Francisco supervisors prolonged their row over new wholesale rates for water which will apply to peninsula communities, the Palo Alto City Council Monday approved a 20-year contract for Hetch Hetchy service.

Under the contract, Palo Alto will assume 60 per cent of the cost of the pipe line now being constructed from Redwood City, and in return will have prior claim to 60 per cent of the capacity of the line.

In addition to Palo Alto, the new main will serve Atherton, Menlo Park, Stanford and Moffett Field.

Pipe for the line is being reclaimed from the Corral Hollow emergency line in Alameda county. Cost of the installation, $210,000, will be assumed by San Francisco, Palo Alto to repay its share, plus interest, through a 2-cent surcharge on each 100 cubic feet of water used.

Palo Alto agrees to use Hetch Hetchy water for all of its requirements over 400,000,000 gallons per year, it was explained. Capacity of the line is 14,000,000 gallons per day.

Signing the contract means an increase of 10 cents per hundred cubic feet in price to Palo Alto consumers, it was explained at last night's session. When the surcharge for the pipe line is removed, Palo Alto will enjoy the status of other Hetch Hetchy consumers.

Macco-Robertson Company Ltd., contractors, hope to have the installation completed within 180 working days, which means Hetch Hetchy water service to Palo Alto by next summer.

San Francisco supervisors, however, have yet to approve the proposed wholesale water rates for peninsula communities. Unless action is taken prior to December 28, the schedule will become effective automatictilly.

Mushroom Plant Strikers to Air Grievances Here

Stanley Hancock, international organizer for the United Cannery, Agricultural, Packing and Allied Workers, has announced that the Redwood City mushroom plant strikers will hold a mass meeting at 2 p.m. Sunday in Foresters' Hall to explain their demands to the public.

Hancock said that the strike was at a standstill here, although workers had settled down to a determined siege of the Spring street plant. Women are on a six-hour shift, men on 12, Hancock said. An appeal to labor unions for strike relief has brought satisfactory response, Hancock said.

Meanwhile the union is concentrating its efforts on the task of organizing the workers in the Santa Cruz and Whittier plants of the Golden State Mushroom plant. Hancock said that if the workers can be organized in those plants, the company will be forced into line.

"They are afraid of setting a precedent in Redwood City," Hancock said he believes.

There are nearly 25 acres of land in Texas for each inhabitant.

Toastmaster Finals To Be Held Here

Redwood City has been selected as scene of the public speaking contest finals of the Northern California District Toastmasters' Clubs, it was disclosed here by Lewis Franklin and B. E. Myers, Redwood City club officers who attended a district meeting in Oakland last night.

Five speakers, to be named as the best in their respective areas from the district's 10 units, will be on the local program scheduled here in the latter part of April. Represented at the meeting to be held in Sequoia Union High School auditorium are clubs in San Francisco, Stockton, San Mateo-Burlingame, Salinas, Gonzales, Palo Alto and Oakland, as well as Redwood City.

In the semi-finals are Harold F. Anderson and Louis A. McAtee of the Redwood City club and Fred O. Glover and William Brown of Burlingame.

Presiding at the Oakland gathering was Fred G. Perry of Palo Alto.

The mint at Vienna, Austria, has received an order for 120,000,000 coins from the Chinese government. The coins will be in 5, 10 and 20 cent denominations.

In the Matter of the Estate of JOSEPH M. MACDONOUGH, Deceased.

NOTICE IS HEREBY GIVEN that DENT W. MACDONOUGH, the Administrator with the Will Annexed of the estate of Joseph M. Macdonough, deceased, has filed herein his verified Petition for order granting authority to borrow money and execute Note and Deed of Trust, namely, a joint and several note for $40,000.00, bearing interest at a rate not exceeding 6% per annum, payable one year from date, with Dent W. Macdonough as co-maker, to be secured by a Deed of Trust on the real property hereinafter described with said Dent W. Macdonough as co-trustor;

That said real property is more particularly described as follows:

All that certain lot, piece or parcel of land, situate, lying and being in the City and County of San Francisco, State of California, and bounded and described as follows, to-wit:

COMMENCING at the point of intersection of the Southerly line of 16th Street and the Westerly line of Treat Avenue, formerly Division Street, running thence Westerly along said line of 16th Street 166.445 feet to the Easterly boundary line of lands of the City and County of San Francisco; thence Southerly along said last named boundary line 120.038 feet to an angle point therein; thence continuing southerly along said boundary line 45.036 feet to a point perpendicularly distant Southerly 165 feet from the Southerly line of 16th Street; thence continuing Southerly along the extension of the last named course 9¼ inches, more or less to a point perpendicularly distant Southerly 165 feet 9¼ inches from the Southerly line of 16th Street; thence Easterly and parallel with said line of 16th Street 117.174 feet to the Westerly line of Treat Avenue; thence Northerly along said line of Treat Avenue 172.578 feet, more or less, to the point of commencement. Being part of Mission Block No. 49;

and that Monday, the 27th day of December, 1937, at the hour of ten o'clock A. M., and the Court Room of this Court, Department No. 2 thereof, in the County Court House, in Redwood City, County of San Mateo, State of California, have been appointed and fixed as the day, time and place for the hearing of the same, and all persons interested are hereby notified to appear at said time and place to show cause, if any they have, why said Petition should not be granted. For further particulars, reference is hereby especially made to the said verified Petition now on file herein.

Employers Urged To Give in Names

California employers who hire from four to seven persons inclusive have only 7 more days to register with the state department of employment before January 1, when they become subject to pay contributions to the unemployment trust fund.

California law, according to Samuel Leask Jr., unemployment reserves commission member from Santa Cruz, requires that every person who hired from four to seven persons inclusive during 20 days of 1937, each day being in a separate calendar week, pay contributions to the fund.

Registration blanks have been distributed to some 50,000 employers, Leask said. However, additional forms are obtainable at the office of the California State Employment Service, 15 B street, San Mateo, or 2086 El Camino Real, Palo Alto.

Slot Machine Charge Results in $150 Fine

SAN BRUNO, Dec. 13—Ceasar Martinelli, proprietor of Uncle Tom's Cabin, San Bruno, was fined $150 on a charge of possessing slot machines when he appeared before Judge R. A. Rapsey of San Bruno late Saturday. Martinelli was arrested following a raid a week ago. Two slot machines were confiscated as evidence.

The Columbia is sometimes called "The Achilles of Rivers."
